MY WORK IS NOT A JOB - I HAVE NO BOSS - I WORK FOR "THE PEOPLE" - I AM "PAID" BY "THE PEOPLE" - YOU CHOOSE THE "VALUE" OF MY WORK - NOT THE "COST" - DO NOT CONFUSE THE TWO.

YOU SET YOUR OWN "PRICE" - HOW OFTEN CAN A CITIZEN DECIDE WHAT TO "PAY" FOR A SERVICE OR GOODS?

I like "dark stuff", but I can draw anything - and will give the best tattoo on your body - my promise to you all.

I started my career as an artist with the simultaneous publication of my first album cover and comic books in 1989.

I began tattooing 10 years later 1999 after touring Europe for a couple years selling my work th galleries and tattoo convention Private collectors have kept me inspired for almost two decades.
